2023 REPORT ON CHARITABLE ORGANIZATIONS

Michael Watson
SECRETARY OF STATE

Dear Fellow Mississippians:

Mississippians continue to be some of the most charitable individuals in the country. Time after time, our citizens have risen to the occasion to help fellow Mississippians in need, as well as citizens across the country.

Checking your charity helps ensure your hard-earned donations advance the core charitable purpose or mission of the organizations you support. Disclosure of charitable revenue and spending exposes unscrupulous groups who might prey upon the generosity of our citizens by lining their pockets under the guise of selfless motives. Additionally, transparency in financial reporting promotes the good work of credible organizations who are responsible stewards of your time and contributions.

For these reasons and many more, we are pleased to announce the Report on Charitable Organizations in Mississippi is now available on our website. This publication will enable you to "Check Your Charity" and make informed decisions by presenting the financial activity for the charity's most recent fiscal year.

The Council of Better Business Bureaus recommends at least sixty-five percent (65%) of a charity's total revenue be spent on program activities directly related to the organization's purposes. Fundraising and administrative costs by an established organization should never exceed thirty-five percent (35%) of related contributions. That said, newly-created organizations may have higher administrative expenses due to start-up costs, and large gifts or donor restrictions on the use of contributed funds could skew an organization's apparent management of funds in either a favorable or unfavorable light.

Information published in this report provides contact information for registered charities authorized to solicit donations from Mississippians. We encourage you to use this publication as a guide to "Check Your Charity" before giving. Please contact my office at (601) 359-1599 or (888) 236-6167 if you have questions about this report or any comments regarding charities operating in Mississippi.

Keep up the great work, Mississippi! Your generosity never ceases to amaze me.

Sincerely,

Michael Watson
Secretary of State

Introduction

STATUTORY AUTHORITY AND RESPONSIBILITIES

The Secretary of State has the statutory responsibility of protecting citizens by enforcing Mississippi's charitable solicitation laws. State law requires organizations intending to solicit charitable donations from Mississippi citizens to register with the Secretary of State. Solicitation includes any oral or written request, however communicated, whether directly or indirectly, for a contribution. Bona fide, duly constituted religious institutions are not required to register or file exemption forms with the Secretary of State's Office, but may request a religious exclusion for its' records.

PURPOSE OF THE REPORT

In carrying out the responsibility of protecting citizens, the Secretary of State's Office requires all charities to submit certain financial information for review each year. This report provides a summary of the financial information on file with the Secretary of State as of September 30, 2023. Pursuant to state law, all charitable organizations' registration and financial documents are public record available to all citizens.

This report was prepared to inform the citizens of Mississippi about how their contributions and other funds are being used, and to assist them in making informed decisions when contributing to charitable organizations. This report is not intended as an endorsement or criticism of any particular organization. In addition, registration by a charitable organization with the Secretary of State does not constitute an endorsement or approval by the State of Mississippi.

This report includes the following sections:

Section I – Registered Charities in Mississippi

This section provides basic information on registered charities in Mississippi (excluding exempt charitable organizations). A charitable organization's financial information may be excluded from this report for the following reasons:

The organization's registration lapsed and was not renewed prior to the annual expiration date; or
The organization sent in a registration or renewal without all of the required documents; therefore, registration is incomplete at the time of publication.

Continued on next page

Section II – Exempt Charities in Mississippi

This section contains an alphabetical listing of charitable organizations registered with the Secretary of State's Office but exempt from reporting requirements, pursuant to Miss. Code Ann., § 79-11-505 (2009). Exempt organizations, as enumerated by statute, are:

(a) Accredited educational institutions;
(b) Fraternal, patriotic, social, educational, alumni organizations, and historical societies who use only their memberships to solicit contributions;
(c) Persons who are soliciting contributions for specified individuals in need, if the solicitations are made solely by persons who are unpaid;
(d) Organizations which do not intend to solicit or receive and do not actually receive more than $25,000 in contributions per year;
(e) Organizations which receive allocations from registered united funds or community chests and receive less than $25,000 from other sources;
(f) All volunteer fire departments and rescue units which are chartered as nonprofit organizations by the State of Mississippi;
(g) Any humane society which contracts with counties or municipalities for the care and keeping of strays; and
(h) Any other organization which the Secretary of State by rule or order exempts from registration requirements.

In addition, bona fide, duly constituted religious institutions are not required to register or file exemption forms with the Secretary of State's Office.

Section III – Charities with Gaming Operations in Mississippi

This section provides basic information on charities having gaming operations (Bingo) in Mississippi. This section is reported separately due to specific laws and regulations governing the charitable gaming aspects of these organizations. Divided into two sub-sections, the first includes certain financial information, as reported elsewhere in this report, and the second provides contact information including organizational name, address, and telephone number. Financial information, provided by the Mississippi Gaming Commission, is also included for the gaming operations associated with the charity. Additional explanation of financial information for charities with gaming operations is included due to the special circumstances of their reporting. The charitable organization's financial information may be excluded from this report for the following reasons:

The organization's registration lapsed and was not renewed prior to the annual expiration date; or
The organization sent in a registration or renewal without all of the required documents; therefore, registration is incomplete at the time of publication.

Continued on next page

Section IV – Registered Charities having Not Applied for 501 (c) (3) status

This section contains an alphabetical listing of charitable organizations that have not applied for their 501 (c) (3) status. 501 (c) (3) status is a tax-exempt status granted by the IRS which exempts the organization from federal and/or state income taxes.

Section V — Expired Charities in Mississippi

This section contains an alphabetical listing of charitable organizations that were previously registered with the Secretary of State's Office. These organizations are no longer registered with the Secretary of State's Office because they failed to renew their registrations as pursuant to Miss. Code Ann. §79-11-503(4). As a result, these organizations' registrations lapsed and became expired.

Check Your Charity BEFORE You Give

The wisest giver is an informed giver, and we want to make sure your hard-earned charitable contributions are spent in the most efficient, effective way possible. That is why the Secretary of State's Office recommends that you "Check Your Charity" before you give.

Often, callers soliciting contributions are not volunteers but rather professional fundraisers. These paid telemarketers are required to identify themselves under our charities law. In all cases, you should ask how much of every dollar raised actually goes to the charity.

Never be afraid to ask for information in writing. If asked, the professional charity telemarketer must immediately inform you of the percentage of money that actually goes to the charity. In addition, this information must be confirmed in writing by the telemarketer within fourteen (14) days of your request. You are entitled to the truth about where your money goes.

To make the most informed decisions regarding your charitable donations, follow these guidelines:

Check your charity. Ask questions before giving and ask for answers in writing. Legitimate charities welcome your inquiries.

Avoid pressure tactics. You do not have to give immediately; take time to evaluate the information provided by the group. Don't give in to "scare" tactics.

Watch for "same names." Many charities have similar names. Some scam artists intentionally use names resembling those of respected groups. Make sure you know which group is really asking for your donation.

Be wary of telephone calls. Get the name of the person calling and the exact name of the charity. Ask if the caller is a professional fundraiser, and, if so, how much of your donation actually goes to the charity.

Verify mail solicitations. Be wary of mail including novelty items that you can keep "if you contribute." Federal law states that unless you ordered the item, you can keep it without contributing.

Always get receipts. Especially for cash contributions, always get receipts. These are important for tax deductions and provide a tracking mechanism for donations.

Volunteer cautiously. Remember, your family and friends trust you to know the organization. Make sure you do.

All charitable organizations are required to register with the Secretary of State's Office and renew yearly. Certain types of organizations are exempt from registration, but are still required to file a notice of exemption with the Secretary of State's Office. Bona fide, duly constituted religious institutions are not required to register or file exemption forms with the Secretary of State's Office. In addition, if an organization is a nonprofit corporation, it must file its formation document with the Filing Services Unit of the Business Services Division.

Call the Secretary of State's Office at (601) 359-1350 or (888) 236-6167 if you still have doubts - we will be happy to help you ***Check Your Charity!***

SECTION I

FINANCIAL INFORMATION FOR REGISTERED CHARITIES IN MISSISSIPPI

Column Key

Organization	Name of the registered charitable organization.
State	Location of the charity's main office.
Fiscal Year	The fiscal year for which the organization submitted financial information on file as of September 30, 2023. For example, a listing of 2022 means the financial information in the report corresponds to the organization's 2022 fiscal year information.
Total Revenue	Income from all sources received during the reported fiscal year. Total income does not necessarily equal total expenses. It is possible for a charitable organization to spend more or less than the total amount of income received within a single fiscal year.
Total Expenses	The amount of money a charity spent in the reported fiscal year. Total Expenses is the sum of four values: Fundraising Expenses, Administrative Expenses, Other Expenses, and Charitable Purpose Expenses.
Fundraising Expenses	The costs of raising funds from the public (e.g., costs of solicitations by mail, telephone, or person-to-person); the costs of items sold in the name of, or on behalf of, a charity; and the costs of special events.
Administrative Expenses	The costs of the charity's daily administration and management.
Other Expenses	Any costs which are not related to a charity's stated purpose, administration, or fundraising activities.
Charitable Purpose Expenses	Costs which are directly related to a charity's stated purpose or program service (e.g., public education programs, research, etc.).
Percentage of Expenses for Charitable Purpose	The amount of Charitable Purpose Expenses expressed as a ratio to Total Expenses.
Percentage of Expenses for Non-Charitable Purposes	The amount of Non-Charitable Purpose Expenses, which includes Fundraising Expenses, Administrative Expenses, and Other Expenses, expressed as a ratio to Total Expenses.

**Please note that charities listed with zeros in all columns may be new or inactive charities. New charities are not required to submit financial information until after their first full fiscal year of operation.*
